To whom this may concern:

I ~~am~~ *writing* on behalf of my ~~high~~ school debate team in Delray Beach, Florida. A member of our team read an article that sparked our interest. It ~~has~~ been brought to our attention that the news networks and newspapers in our country are slowly being monopolized by the same companies. These monopolies need to stop and we need to create a diverse background ~~through~~ which news is conveyed to us. I believe that we need more ~~than~~ one ~~biased~~ opinion in order to create a society with diverse opinions and views rather ~~than~~ zombie-like drones that have the same viewpoints ~~as~~ everyone else. I hope that I have helped to bring this to your attention and that my debate teams enthusiasm regarding this important issue ~~will~~ make you reconsider the actions and monopolies of larger dominating corporations. Thank you very much for taking the time to look this over and considering our views and opinions. I am sure you will be receiving a lot more letters from numerous members of my team. Thank you again.
